

The General Demand

of the Well-Informed of the World has always been for a simple, pleasant and efficient liquid laxative remedy of known value; a laxative which physicians could sanction for family use because its component parts are known to them to be wholesome and truly beneficial in effect, acceptable to the system and gentle, yet prompt, in action.

In supplying that demand with its excellent combination of Syrup of Figs and Elixir of Senna, the California Fig Syrup Co. proceeds along ethical lines and relies on the merits of the laxative for its remarkable success.

That is one of many reasons why Syrup of Figs and Elixir of Senna is given the preference by the Well-Informed. To get its beneficial effects always buy the genuine—manufactured by the California Fig Syrup Co., only, and for sale by all leading druggists. Price fifty cents per bottle.

Enjoy Good Health.

To enjoy good health keep the liver in good condition, otherwise the effete matter and bile will accumulate in the system and cause disease.

Uncle Joe Cannon has things mixed; it isn't the "rules of the house" the people object to; it's the autocratic rule of Czar Cannon.

They have tame wild ducks at West Palm Beach, according to the News of that beautiful resort, and it is rumored that there are a good many wild domestic birds down there, too.

BALD HEADS NOT WANTED

BALDNESS IS TOO GENERALLY CONSIDERED A SIGN OF ADVANCED AGE.

A bald headed person does not have an equal chance with one blessed with a healthy head of hair, because baldness is too generally accepted as an indication of age. Many large corporations have established an age limit, and refuse to take men over 35 years of age as new employees.

Almost 65% of bald headed people may regain a good head of healthy hair if they will follow our advice and accept our offer. We have a remedy that we positively guarantee to grow hair on any head unless the roots of the hair are entirely dead, their follicles closed, and the scalp has become glazed and shiny. We want people to try this remedy at our risk, with the distinct understanding that unless it does exactly what we claim it will, and gives satisfaction in every respect, we shall make no charge for the remedy used during the trial.

We know exactly what we are talking about, and with this offer back of our statements no one should scoff, doubt our work or hesitate to put our remedy to an actual test.

We want everyone in DeLand who is suffering from any scalp or hair trouble, dandruff, falling hair or baldness to try our Rexall "93" Hair Tonic. We want them to use it regularly—say until three bottles have been used—and if it does not eradicate dandruff, cleanse and refresh the scalp, tighten the hair in its roots, and grow new hair, we will return every cent paid us for the remedy for the mere asking. There is no formality expected, and we exact no obligation from the user whatever.

We are established right here in DeLand, and make this offer with a full understanding that our business success entirely depends upon the sort of treatment we accord our customers, and we would not dare make the above offer unless we were positively certain that we could substantiate it in every particular. Two sizes, 50c. and \$1.00. G. W. Fisher, druggist, DeLand, Fla.

Rev. S. G. Baker - - Editor

It is with much regret that the editor is compelled to announce to the readers of this column that this is likely to be the last issue of THE NEWS in which will appear our items. Many persons subscribed for THE NEWS last year for three or six months. Long since have their subscriptions expired, and though they have been repeatedly notified, through mail and otherwise, they pay no attention to it. This ought not to be so. When the editor of THE NEWS so kindly consented to publish our matter each week, it was with the understanding that we would patronize it by paying our subscriptions at least. By paying for three or six months one cannot expect to get the paper a year for it. Surely we will not be so ungrateful as not to pay for THE NEWS when we owe for it. We have been assured that our items will positively be denied publication any longer if we fail to do our part. If you don't care to pay the editor of this department, see the business manager and pay your subscription. You will by so doing aid in keeping this door of communication open to us. Through this medium the reading world knows about us. The bright side of our lives is put upon exhibition. We are shown to have some law-abiding citizens among us who appreciate kindness shown us along all lines of endeavor. When the list of bona fide subscribers is gone over, it is found that there are less than fifteen in this department that are square. Let us pay up, and keep the good work going.

The Rev. William Powe, pastor of the Union Baptist Church, will be in the city this week, and will officiate at his church next Sunday.

Mrs. C. A. Worthy, who is now spending a while in Savannah, Ga., is expected home shortly.

The following visitors from DeLand were in evidence at the conference at Palatka last week: Mesdames E. B. Baker, M. A. Stockton, Sallie L. King and Prof. S. F. Hadley.

The Rev. L. B. Bacon has been appointed to the pastorate charge of Celery Avenue, M. Smith, Paxton, E. D. Coger, Eldridge, J. W. Terry—J. B. Browning, Yamacsee.

Charity K. of P. Lodge held an interesting meeting last week. It was presided over by Vice-Chancellor W. S. Spear.

The Rev. S. G. Baker has been re-appointed to the pastoral charge of Bethel Church for the fifth year. He resumed his duties last Tuesday night.

Bishop and Mrs. M. B. Salter and their adopted son, Charles Reed, will arrive in the city next Thursday and will remain until the 15th inst. He will lecture and preach while in the city. Look out for hand bills and programs.

Mr. J. H. Williams will leave this week for Jacksonville.

The Rev. Mr. Spear filled the pulpit at the Union Baptist Church last Sunday. The rally that had been in progress for some time, closed with a goodly sum on hand.

Mr. and Mrs. W. S. Spear had a very pleasant drive last Sunday at Mack's expense.

The rally at Bethlehem Baptist church was a splendid success Sunday. The sum raised was \$75.92.

The Rev. Baker, wife and son, Mr. and Mrs. J. R. McClenahon were pleasantly entertained at dinner by Mrs. Maggie A. Stockton, the Sunday before leaving for conference.

NIGHT ON BALD MOUNTAIN.

On a lonely night Alex. Benton, of Fort Edward, N. Y., climbed Bald Mountain to the home of a neighbor, tortured by Asthma, bent on curing him with Dr. King's New Discovery, that had cured himself of asthma. Coughs, Colds, Croup, Hemorrhages and Sore Lungs are surely cured by it. Best for Hay Fever, Grip and Whooping Cough. 50c and \$1.00. Trial bottle free. Guaranteed by all druggists.
